

WILFREDO LAGARES © 2016

As we are in the thick of the presidential primaries at the time of this writing, a lot of people are thinking back to the election of 2008. In a sense, in a way that is not obvious to most people, the election of 2008 was a turning point in the history of the United States. It was the first time that a person of color was elected to the White House. It was the first time that a person who was not a member of the majority race was elected to the White House. It was the first time that a person who was not a member of the majority race was elected to the White House.

When we look at the election of 2008, we see a number of things that were different from previous elections. One of the most significant things was the role of the media. The media played a much larger role in the election of 2008 than in previous elections. This was true for both the major networks and the cable channels. The media played a much larger role in the election of 2008 than in previous elections.

Another significant thing was the role of the internet. The internet played a much larger role in the election of 2008 than in previous elections. This was true for both the major networks and the cable channels. The internet played a much larger role in the election of 2008 than in previous elections.

Another significant thing was the role of the social media. The social media played a much larger role in the election of 2008 than in previous elections. This was true for both the major networks and the cable channels. The social media played a much larger role in the election of 2008 than in previous elections.

Another significant thing was the role of the political parties. The political parties played a much larger role in the election of 2008 than in previous elections. This was true for both the major networks and the cable channels. The political parties played a much larger role in the election of 2008 than in previous elections.

Another significant thing was the role of the voters. The voters played a much larger role in the election of 2008 than in previous elections. This was true for both the major networks and the cable channels. The voters played a much larger role in the election of 2008 than in previous elections.

Another significant thing was the role of the candidates. The candidates played a much larger role in the election of 2008 than in previous elections. This was true for both the major networks and the cable channels. The candidates played a much larger role in the election of 2008 than in previous elections.

Another significant thing was the role of the issues. The issues played a much larger role in the election of 2008 than in previous elections. This was true for both the major networks and the cable channels. The issues played a much larger role in the election of 2008 than in previous elections.

When we look at the election of 2008, we see a number of things that were different from previous elections. One of the most significant things was the role of the media.
