

TEST WAIVER REQUEST REQUIREMENTS

The GRE/MAT/GMAT requirements for selected New Jersey City University Master's Degree Programs may be waived. Academic departments within the University may have additional requirements for admission to Doctoral or Professional Diploma in School Psychology programs. The GRE/MAT/GMAT is not required for the following programs: Art(M.F.A), Studio Art(M.A.), Music(M.M.), and Media Production(M.F.A). The test waiver does not alter existing admission requirements.

NJCU encourages all graduate applicants to take the applicable standardized test and submit test scores as part of their application package in order to enhance their application for admission/matriculation into a Degree Program.

Applicants who do not meet the eligibility requirements for the test waiver must write a letter of appeal to be considered for the waiver. The appeal letter should be submitted with the Test Waiver Request Form. Appeals that are denied by the Graduate Coordinator may be referred to the Dean of the appropriate College for review. In such cases, the decision of the Dean is final.
