TO LOGIN REMOTELY

1. Call your company and ask to be connected to a number that will go to voicemail. This means a number that will not be answered by a person, for example, your own extension number.
2. Wait for the voicemail system to respond and ask you to leave a message.
3. After the tone, do not leave a message but press #. In some cases you may hear the prompt No message to save.
4. Dial *7. You are asked to select the mailbox that you require.
5. Enter your own extension number and press #.
6. When prompted enter your mailbox password and press #. You will hear a summary of your voicemail messages as normal.
