

Demand in the Supply Chain, Logistics, and Maritime Port Management fields has increased dramatically due to the fact that it is a \$6 billion dollar industry in New Jersey alone. Global business today encompasses domestic and global companies with busy ports in New York and New Jersey to handle cargos worldwide from North America, Europe, South America, Africa, and Asia. Globalization revolutionizes the way companies conduct their business. The world has become one big supply chain and this program seeks to help meet the keen demand for professionals in these fields.

"Transportation and material handling are among the top five occupational groups that account for nearly 9% of all employment in 2016. Logisticians are also among the top 10, high-paying occupations in Northern, Central and Southern New Jersey in 2016, in light of weighted, average, annual salary and employment. Logisticians are commonly employed in the transportation, logistics, and distribution sectors. Seaports including other transportation modes manage the transportation of billions of dollars worth of goods every year."
