Systemic Reforms

Significant Results

More College Graduates

# Innovation Scale

## **Institutional Intentionality**

**Data and Data Analytics**

**Budgeting**

**Collaborative, rather than individual**

**Building a culture of continuous improvement**

## **Students**

**Advising (linked to data, intrusive, appreciative, etc.)**

**Non-cognitive factors (belonging, mindset, grit, etc.)**

**Career focus**

## **Curriculum**

**Personalization (software that takes each student on a different journey)**

**Degree maps and Academic Degree Progress Report**

**Course re-design**

**Pathways (math alternatives, Orientation to College course, Summer Bridge, First Year Student Success Academy, Second Year Student Success Institute, etc.)**

## **Faculty and Staff**

**Collaboration between Academic Affairs and Student Affairs**

**Research about first-year outcomes**

# Four Questions to Answer

1

## Transforming Lives Strategic Plan 2013-2018

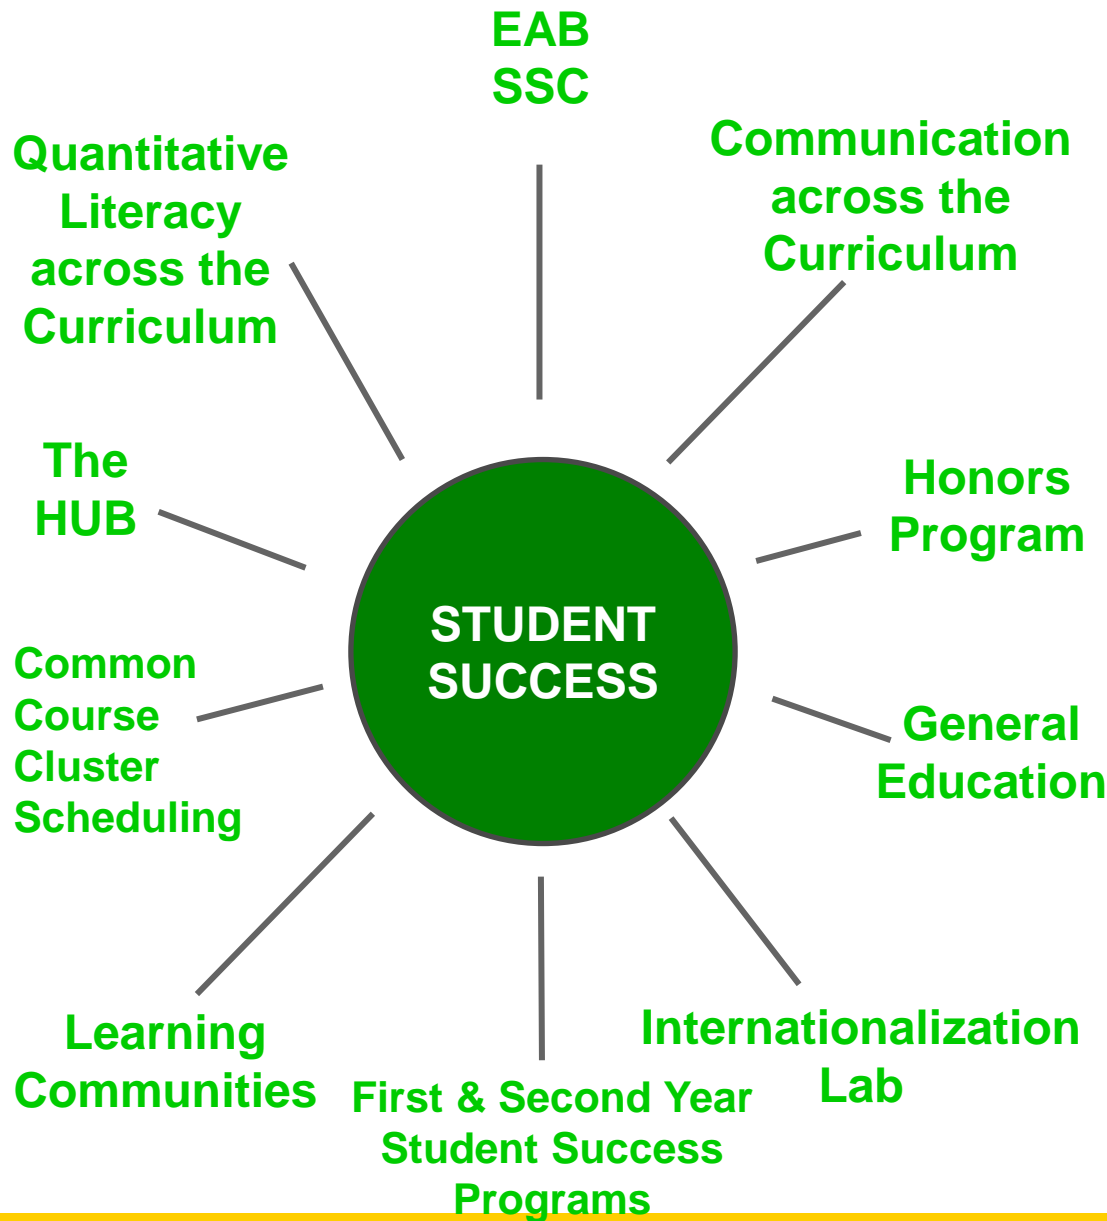

### Goal 2: Achieve Student Success: Academic, Personal, and Social.

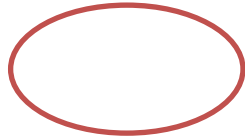

2.1 Graduate academically accomplished individuals with expertise in their discipline and in the university-wide outcomes of critical thinking, written and oral communication, quantitative literacy, information and technology literacy, and responsible citizenship in a culturally complex world.

personal development.

2.3 Increase retention and degree completion for all students.

2.4 Enroll a diverse student body that will succeed at NJCU and beyond.

## **Transforming Lives Strategic Plan 2013-2018**

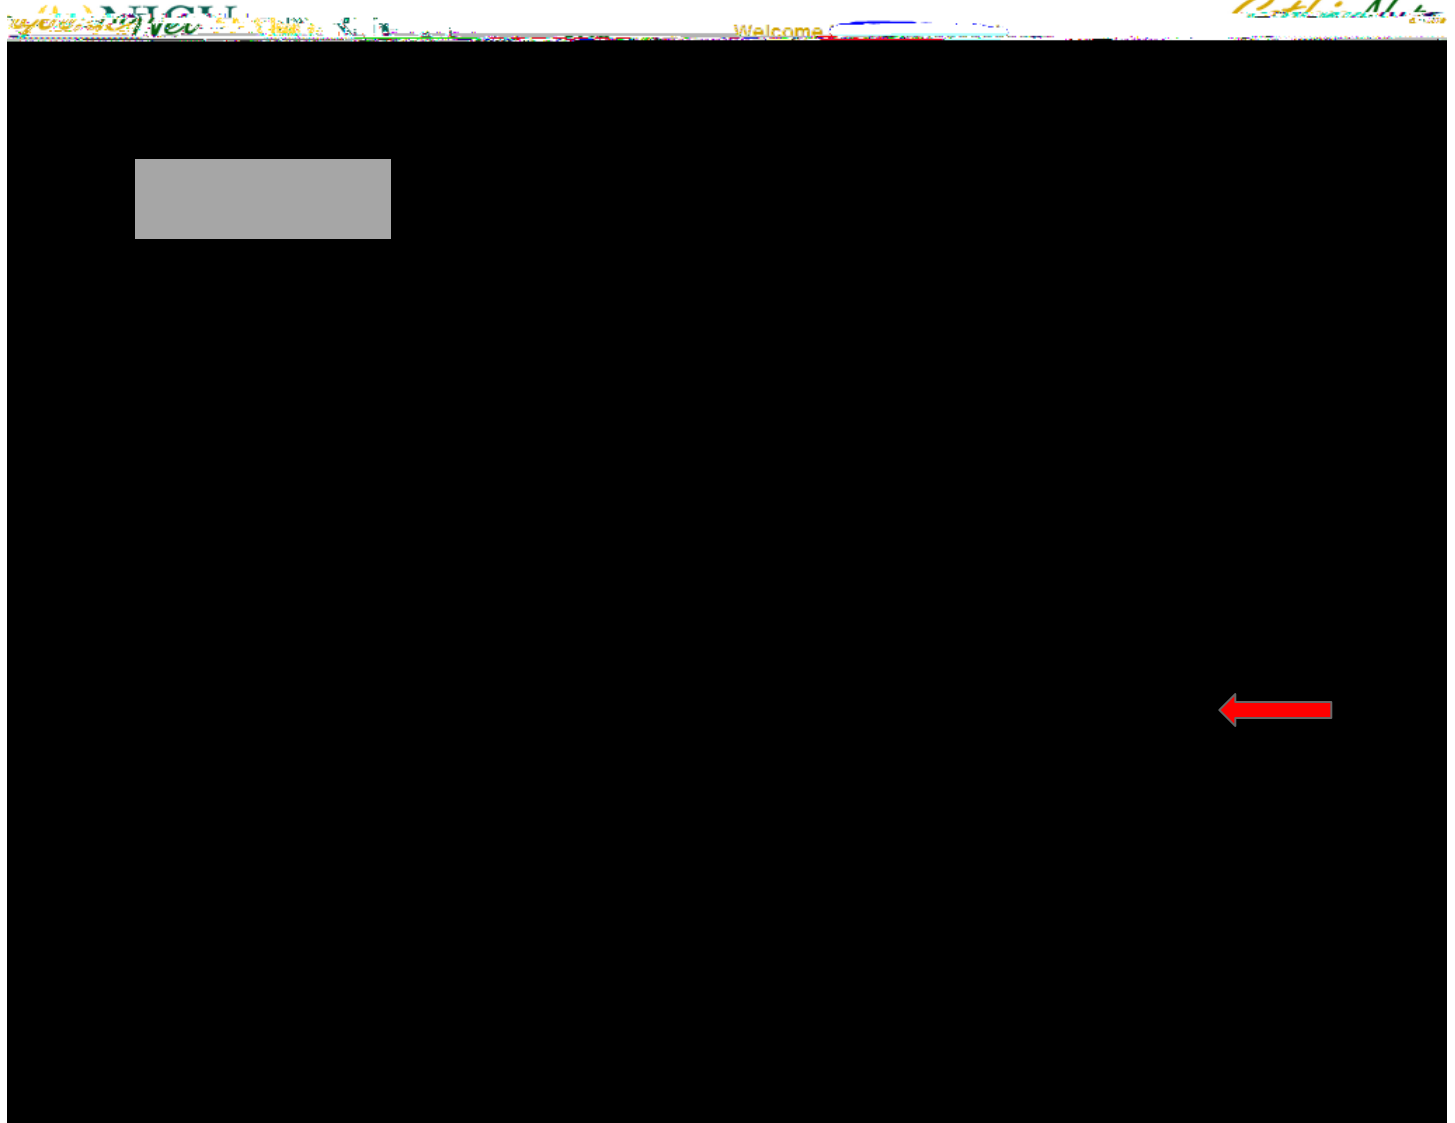

### **Goal 2: Achieve Student Success: Academic, Personal, and Social.**

**2.1 Graduate academically accomplished individuals with expertise in their discipline and in the university-wide outcomes of critical thinking, written and oral communication, quantitative literacy, information and technology literacy, and responsible citizenship in a culturally complex world.**
